

Cash In A Flash Making Money Selling On Ebay: Make Money From Home Using The Internet -Internet Sales - Christmas Money Fast

I started selling on EBay in 2006. I had no idea what to sell, where to find merchandise for resale, and most important of all, what would sell. Cash in a Flash Making Money Selling on EBay will save you time, effort, and frustration. In this easy to read, easy to understand, common sense approach book you will find tips on how to find merchandise at rock bottom prices, the best way to list these items, and the best time to list for optimum profit. You will learn how to avoid the costly mistakes which sideline so many future top sellers before they ever get started. Reading this book will enable you to make money from the startup of your EBay business which will give you an advantage over other beginning sellers. In fact, you will be competitive with people who have been selling for many years. This is important! Life is short and time is precious. This book allows you to learn from the cheap seats! The price of this book will be redeemed to you on practically every page! As a bonus you get a few laughs as we journey through Cash in a Flash. EBay is not just for the big guys! Moms, dads, and gradswe all can make a profit, and have satisfaction from a job we enjoy. And you may be like me and say Goodbye 9 to 5 and take your life back. If I can do it, I know you can do it!!! Best wishes, Jenice
