

The 4 Dreams of Miss X: Limited Edition (Agent Provocateur)

This astounding collaboration between designer lingerie house Agent Provocateur and Kate Moss breaks new ground. These genius innovators in haute couture commissioned the director of *Leaving Las Vegas* and *Timecode* to portray Moss in her first acting role, resulting in four unique online films: *Shadows*, *Scale*, *Exhibitionist*, and *Narcissus* *The Four Dreams of Miss X*. Shot in night vision, these films are intensely intimate: a beautiful woman's private dream experiences. Each film is released periodically over the year, with teasers to whet the appetite for the next episode. Enticing you into the dusky world of Miss X, the book presents both the scripts and stunning images from the films as well as a unique DVD featuring all four dreams.
