

# ALS Microsoft SQL Server 2000 System Administration (Pro-Academic Learning)

ALS SQL Server 2000 Systems Administration offers a complete learning program consisting of a hardcover textbook with two CD ROMs and a paperback lab manual. Written in a clear and straightforward manner, the textbook contains numerous learning aids designed to help students master the material and a wealth of practice exercises designed to give students plenty of hands on experience developing the skills needed to do the data base administrators job and to prepare for MCP exam # 70-228.
