

# Saving the Marin-Sonoma Coast: The Battles for Audubon Canyon Ranch, Point Reyes, & California's Russian River

The dramatic story of the salvation of the Marin headlands unfolds in Marty Griffin's fascinating memoir, *Saving the Marin-Sonoma Coast*. With sharp insight and humor, Dr. Griffin documents the creation of the magnificent Audubon Canyon Ranch wildlife preserves on Bolinas Lagoon and Tomales Bay and their crucial role in rescuing the Pt. Reyes National Seashore, preserving California's unspoiled North Coast, and transforming the political landscape of Marin County.
