

How to Start Your Own Religion: Form a Church, Gain Followers, Become Tax-Exempt, and Sway the Minds of Millions in Five Easy Steps

Yes, world domination and eternal adoration can be yours! The way to make a million dollars is to start a religion. (L. Ron Hubbard, founder of Scientology) Wouldnt you like to control countless worshippers with a single word? To call forth bountiful offerings of gold and silver? Wouldnt you love to make your acolytes bow in awe of your greatness? Starting a new religion can be fun and profitable. Youll laugh along with Philip Athans (founder, leader, and sole member of the Church of Phil), as he shows you how to: Gather the flock and keep em coming back for more Organize mysterious and complex rituals Interrogate (or just ridicule) the hell out of nonbelievers Recruit celebrity spokespeople, from Tom Cruise to Uma Thurman If youve ever felt the need to sacrifice on an altar beneath a blood-red moon, or just make Friday a holy day (three-day weekend, anyone) this is the only sacred creed you need. Live long and prosper.
