

The Slacker Confessions

Tommy Campbell is a stand-up comedian who spent a decade bouncing from job to job as the prankster, the rebel employee, the comedian, the slacker, the scapegoat, the hard worker, and the risk taking inspiration for those he worked with. From his extraordinary experiences in ordinary places, came these true, inspiring comedic stories of being hired, fired, quitting, volunteering and everything in between. His stories combine to form a hilarious and motivational anthem for anyone who's ever worked and for anyone who's ever had the slightest desire to go after something more. Prepare to laugh and be touched as you ride along on his sidesplitting voyage through the work world.
