

## Special Edition Using Microsoft Office Word 2003

More than any other, this book offers systematic, real-world guidance for experienced Word users, based upon the types of print and electronic documents you actually create, and the productivity challenges you actually face. It goes far beyond the basics, offering hundreds of advanced tips and techniques for maximizing productivity, automating short and long documents, using Word's powerful Web content creation capabilities, and much more. It also includes practical coverage of Word's latest features for collaboration and XML-based integration with other software and processes. Special Edition Using Microsoft Office Word 2003 reflects the insights of one of the world's most experienced and best-selling Word authors, offering objective guidance on both troubleshooting and the feature gotchas that Microsoft doesn't publicize. The accompanying CD includes a FREE copy of Woody's Office Power Pack (WOPR) - the #1 enhancement to Office. This software sells for \$49.99 but you get it here for free with no obligations attached! Additional content and updates will be available at the author's Web site, [www.billcamarda.com](http://www.billcamarda.com).
