

Fair Game

The Definitive Account of the Crimes of Alaska Serial Killer Robert Hansen...(the case that inspired the Frozen Ground movie). *** This edition includes a 16-page 2013 Afterword *** First published 9 years after Robert Hansens sentencing, FAIR GAME exposed law enforcement and judicial bungling that allowed the 12-year murder spree of Alaskas most prolific serial killer. With an Anchorage police officer risking his career, and FBI profiling assistance, Alaska State Troopers finally brought Hansen to justice. * * * Robert Hansen was never someone youd call normal. A teenager bullied for having acne and a stutter, he became a loner with emotional problems. After prison time for arson in his native Iowa, and arrests for shoplifting in the Minnesota Twin Cities, he and his bride moved to Anchorage, Alaska. Becoming the father of two, a successful bakery owner, crack bush pilot and world-record holding big-game hunter, he seemed the solid normal guy next door. But no one REALLY knew Robert Hansen ...or what he was capable of! From 1971 to 1983, he went on a rampage. Usually stalking his prey in the seedier corners of Anchorage, he kidnapped and raped dozens of women, murdering at least twenty. FAIR GAME doggedly reconstructs Hansens 12-year reign of violence, and reveals why the Hansen case did not go to trial!
