

Future Concepts XXVI - Electronic Gaming Technologies One

Ponder the future possibilities of gaming world, where its taking us, the ramifications of that destination, and how technology is brining it all to fruition. This compilation of articles is set up in an easy to read format, each piece is about a 2 to 5 minute read. Its great for anyone considering a career in gaming, software, or programming simulators, virtual reality, augmented reality, mobile games, or the future of the living room gaming center. Gamers, and those in the industry will be intrigued indeed. Those who are futurists, planners, strategists for companies involved in electronic gaming, or educating the next generation of programmers who will take us to the next level will enjoy this ebook. The topics include:1. Gaming and Human Body Integration2. Simulating Inertia and Acceleration on the Gamer3. Mind Actuated Mobile Gaming4. Futuristic Gaming Chairs5. Augmented Reality Space Station Gaming6. Gaming, Innovating, Imitating, and Cloning Considered7. Is Gaming on the Rise with Tablet Computing?8. Gaming in Washington DC9. Video Games and Future Augmented Reality10. Want to Play Corporate Executive11. Next Generation iPad and Holographic Gaming12. Living Room Gaming Opening Another World13. Will Video Gamers Be the Military Warriors of the Future14. 3D Chess A New Type of Science to the Rules15. Gaming Gone Wild When Simulators Get Too Real16. Gaming Bringing Drop Outs Back to School17. Gaming Will Revolutionize Our Future18. Electrodes to the Brain Is This the Future of the Game19. Lunar Colony and Gaming Past Time20. Gaming Industry is Not Recession Proof21. Computer Gaming is a Growing Sector22. Assessing Your Gaming Skills Surprising Yourself23. Gaming Communities to Fight Real Pirates Off Somalias Coast24. Gaming Community and Garmin

Avionics25. Gaming Communities as Evil Doers?26. Tapping into Innovation for Gaming Community Designers27. 10% of All Gamers Addicted?28. Gaming Communities and 20% IQ Boost29. Gaming to Solve Federal Budget Crisis30. Testing Gamers for Future Robotic Military Service31. Online Gaming Communities to Mend International Relations32. Are Console Game Systems Dead or Evolved Into Something Else?33. Liquid Cooled Xbox System34. Xbox Helps Stroke Victims Regain Control35. Writing the Best Video Game Reviews36. Science Fiction Short Story on the Future of Gaming37. Computer Games with Mind Control Its Already Here38. Computer Games for Business Employee Training39. Will the Future Games Be Played on a Computer?40. Brain Stimulation Devices for Augmented Reality41. Age Demographics for Gaming is Changing42. Is a VR or AR Game Played Outside the Computer Still a Computer Game?43. Another Article on the Science of Computer Gaming44. Holograms Which You Can Touch and Feel?45. Computer Games Played Outside the Box46. Gaming The Next Technological Evolutionary Leap47. Understanding the Philosophy of Computer Gaming48. How Did Computer Gaming Start49. Gaming and UAV Simulation50. SimCity in Second Live Some Thoughts
