

How to Wow with Illustrator

Wouldnt it be great if you could have two of the worlds most accomplished and sought-after graphic artists sitting next to you at your computer as you navigate the infinite possibilities of Adobe Illustrator CS2? How to Wow with Illustrator CS2 is the next-best thing. Two Illustrator powerhouses Ron Chan and Barbara Obermeier both renowned graphic designers and trainers, have developed an effective way to help you reach your full creative potential. Ron and Barbara guide you step-by-step through real-world techniques, with an emphasis on uncompromising quality, last-minute flexibility, and go-home-at-night speed! Youll learn tips and techniques on everything from sophisticated typography to commercial graphics approaches using Illustrator CS2. Youre given the inspiration and know-how at every stage of the creative process in order to learn How to Wow! This book begins with the essentials of Illustrator, including effectively working with layers and tools and integrating with other applications, and then moves on to innovative ideas for making your graphics and typography dazzle the eye. Youll encounter fascinating techniques for giving your work that competitive, professional edge.
