

# Oracle Spatial Spatial Information Management-Oracle Database 11g(Chinese Edition)

Paperback. Pub Date: October 2009 Pages: 782 Language: Chinese Publisher: Tsinghua University Press Oracle Spatial. space information management: Oracle Database 11g is a world-class Oracle Spatial experts of Ravi Kothuri. Albert Godfrind and Euro Beinat masterpiece designed to provide you with the concept of spatial information management knowledge and practical skills to help you become the expert in the field. The book covers all the contents of the Oracle database spatial information management. Mainly elaborated the concept of spatial information management. the Oracle Spatial architecture. as well as a large number of functions for managing spatial data and operation. The detailed description of the Oracle Spatial provides for the storage. retrieval. analysis and visualization of spatial information tool. Oracle Spatial Spatial Information Management: Oracle Database 1...
