

Jimmy and Rosalynn Carter: A Canadian Tribute (Library of Political Leadership Occasional)

Jimmy and Rosalynn Carter highlights the work of the former president and first lady with Prime Ministers Joe Clark and Pierre Trudeau, both in the White House and beyond to the activities of the Carter Center, and is a documentary tribute to the Carters from a wide variety of Canadians across the political spectrum. It also provides glimpses of the rural Georgia town, Plains, the home of Jimmy and Rosalynn Carter, through a Canadian prism. A selection of President Carters major addresses, including his Nobel Peace Prize lecture, is also included.
