

John James Audubon (Library of American Art)

Known throughout the world for the power and beauty of his illustrations of American wildlife, John James Audubon was also an explorer and a frontier naturalist. Few know the fascinating story of this flamboyant artist's life or have seen the splendid original watercolors from which his engravings were made. Illustrated with full-page color plates, this handsome volume documents the life and personality of this impassioned observer of the natural world. 104 illustrations, 55 in full color.
