

Kerri On: Lonely child, abandoned teenager, to an abused woman (Kerri Series)

Kerri shares an inspirational journey from a lonely child, to an abandoned teenager, abused wife, to an independent woman. She was belittled and victimized by people whom she loved and a man who used her in his own vindictive games and rise to power. By finding the warmth inside her heart and watching those around her, she transformed her own self-built prison walls of self-loathing to self-discovery. We are not alone, she tells us. We are all deserving of the chance to be the children we were never allowed to be, and the adults we were always meant to become.
