

Last Call in the Menagerie

Just about every bridge player over forty has read Victor Mollo's Bridge in the Menagerie, a book that is on any list of the all-time top ten on the game. Towards the end of his life, Mollo continued to write stories about the same well-loved characters (Hideous Hog, Rueful Rabbit, Oscar the Owl and the rest), but they appeared in various magazines around the world, and if you weren't a subscriber, you didn't get to read them. This is the fourth and final collection of these lost Menagerie gems, collected for the first time in book form. Previous titles in this series: Bridge in the Menagerie; The Hog Takes To The Precision; Diamonds are the Hogs Best Friend; Swings and Arrows.
