

## Lee Van Cleef: A Biographical, Film and Television Reference

Cult film star Lee Van Cleef began his movie career in Hollywood, appearing as evil-eyed villains in such 1950s and 60s Westerns as *High Noon*, *Gunfight at the O.K. Corral* and *How the West was Won*. But Van Cleef didn't achieve full-blown fame until he began starring in Spaghetti Westerns overseas. He played opposite Clint Eastwood in *The Good, the Bad and the Ugly* and *For a Few Dollars More* before becoming a tough-guy star in his own right. By the 1980s, Van Cleef was aging and in weakened health, but he still managed to give thrilling performances in such films as *Escape from New York* and in a weekly martial-arts TV series, *The Master*. Film-by-film and show-by-show, this work fully details Van Cleef's career. Each movie entry includes cast and credits, studio, running times, year of release, a plot synopsis and a brief overview of Van Cleef's role. The background of the ABC series *The Master* is then given, followed by an episode guide that provides airdate, cast and credits, a synopsis and a comment on the episode. Comprehensive information on Van Cleef's other appearances in television concludes the work.
