

Waterford Whispers News: The State of the Nation

Waterford Whispers News is Ireland's answer to The Onion. The site shot to notoriety in January 2014 when it ran a spoof story about North Korea sending a rocket to the sun. Since then the site has been unstoppable, with headlines such as 'Hundreds of Englishmen hospitalized after trying to play hurling', 'Emigration will be offered as a Leaving Cert subject in 2015, and 'Garda whistleblower not invited out with the lads from work this weekend. From politics, to celebrity news and lifestyle, this book brings together the best of the brilliant and original stories that have run on the site. Hilarious, acerbic, and witty, this is Irish humor at its brilliant best!
