

FBI under the influence

.FBI UNDER THE INFLUENCE

BY GREGORY PAPADOPOULOS,

AVAILABLE AT AMAZON AND EBAY \$12.95 This book is about a corrupt cooperation between FBI agents and Gangsters that has shaped America for over fifteen years now. Corrupt agents, that include the Director, have been working as a team with wealthy Gangsters living in Palm Beach. Such cooperation has incredible synergy powers and there is really nobody left to stop or police or their crimes. They were instrumental in electing President Bush, they have tried to impeach President Clinton, they are responsible for massive importation of drugs, they run substantial prostitution rings, they have brought down huge businesses, and have destroyed thousands of innocent citizens for money. Hundreds of billions of wealth has disappeared and trillions of resources have been wasted so they can make a couple of billions and split it among themselves. A similar cooperation between the FBI and Gangsters in Boston controlled the entire Boston drug market for twenty five years. This cooperation however, which they call **THE FORCE**, remains unchecked and continuous to prosper. It is like a cancer is growing in America, multiplying and devouring healthy resources and nobody wants to even diagnose the disease. This book is about our stupidity of giving the FBI director incredible unsupervised, secrecy and power to make billions for Gangsters while we are paying him a measly \$3,500 per week. Learn about the corruption scheme of the century that nobody can stop. Learn why Bill Clinton got a phone call from Florida the precise moment he was telling Monica Lewinski he was ending the affair. Learn why George Bush won the election even though Al Gore got the majority of the popular vote. Learn why the SEC ignored whistleblowers and allowed the Madoff ponzei scheme to go on for ten years. Learn

why FBI director Louis Freeh fled to Italy in 2009 and became Italian citizen. Learn why all these firms such as Refco and MF global collapsed and at the end FBI Director Freeh, like a vouchler picking on a carcass, became their bankruptcy trustee. Learn why FBI Director Mueller threatened to quit unless he could wiretap without a warrant anyone and everyone. Learn why the FBI and the DEA do not make drug trafficking arrests in South Florida. Learn about widespread FBI corruption and how little it costs to have them working for you. Last learn about the best investment in America and the best kept secret of billionaires. This book is about my old Cuban neighbors Alfonso and Pepe Fanjul and their profound control over the FBI. Since the mid nineties the Bureau will even embarrass and undermine the elected Democratic President of the United States just to protect their financial interests. Bill Clinton realizing his blunder said: FBI Director Freeh was the worse appointment I ever made.
