

## St. Helena, Ascension and Tristan da Cunha, 2nd (Bradt Travel Guide St Helena: Ascension-Tristan Da Cunha)

A guidebook for true explorers, the south Atlantic islands of St Helena, Ascension and Tristan da Cunha are isolated and therefore a fascinating destination for travellers who enjoy a completely different vacation. Their remote location has led to a host of endemic plant species and large seabird colonies, meaning the islands appeal to botanists and birdwatchers the world over.
