

## Strollers & Stilettoes: In Stilettoes, Book 4

What happens when real life gets in the way of Happily Ever After? Chronic list-making, event planner, Jaya Trudeau Westhorpe, envisioned a fairytale ending once she married hotel magnate, Alec Westhorpe - complete with a steamy, extended honeymoon and an eventual family. What she didn't expect was a baby on their doorstep and a family-phobic husband. When reformed playboy, Alec Danthers Westhorpe, married the woman of his dreams, he thought he'd finally found his happy ending. But a long-hidden secret threatens to jeopardize what he holds most dear. Can Jaya and Alec reclaim the magic that binds them together? Or will buried secrets tear them apart? Warning: Sexy, sass talking women will make you laugh, cry and want a pair of killer footwear.
