

## Severed Relations

The shocking true account of one of the bloodiest and most horrific murders ever committed--one woman's deadly crime of jealousy, greed, scorn, and revenge against her successful husband. They came from the Soviet Union to start a new life. Together, Dr. Yakov Gluzman, a cancer researcher and his wife, Rita, found success and wealth in their adopted country. But on Easter Sunday morning in a New Jersey parking lot, a local policeman discovered how badly the American dream had turned out for the millionaire Russian couple.
