

Colorado Close-Up

Colorado Close-up is a colorful, detailed tribute to Colorado's unique beauty. Beginning with a general overview, lyrical text and stunning photographs accompany a visual description of each of the state's six climatic life zones: plains, foothills, montane, subalpine, alpine, and desert. This book delves deep into the natural features found in Colorado's varied life zones and serves as a general guide to the state's ageless beauty.
