

Photoshop 7 Learning Studio (Includes 41102,50276)

This title is both a tutorial and a reference on Photoshop 7. The CD contains a two semester interactive training course with hands-on projects; animated lessons; simulated Photoshop exercises; and audio narration. It is taught and narrated by a certified Adobe Photoshop instructor and contains eight hours of lessons in a self-paced, step-by-step, narrated useable simulated Photoshop interface. The training software is designed for people looking to learn both concepts and practical techniques, such as desktop publishers; graphic artists; publishers; printers; photographers; Web designers; and students.
